SONGRI Electric

Mix and Match  
switches & sockets

2023

## Brief Introduction

---

Zhejiang Songri Electric Co.,Ltd. is located at Wenzhou Economic And Technological Development zone, which is a beautiful area with advantages in geography and convenience in transportation. Our company is a high tech company specializing in researching and manufacturing various Kinds of electric products with the ability of manufacturing in large quantity. Moreover, Our company has a group of seasoned and professional technological and management employees.

Zhejiang Songri Electric Co.,Ltd. was originated in 1996. On the basis of honest management, our company has kept being actively and bravely exploring and hard many years. At present, we can supply a wide range of products such as home electric appliances, electrical lighting, high or low voltage items, electrical our market network covers all over China. Furthermore, our products have been sold to many countries around the world.

Our company has obtained ISO 9001:2015, ISO 14001:2015, ISO 45001:2018, NF, SAA, SASO, VDE, CE as well as International Electric Committee CB certificates.

Our company will strive without ceasing just as we have done at past, and will keep forward for building the monument or world-class electric industry in China. We welcome all persons with lofty ideas to join Songri so that we can create a beautiful future together.

## Open efficient cooperative and win-win

---

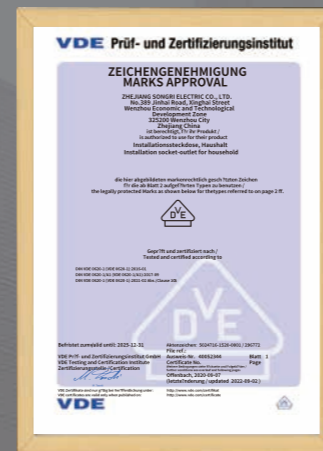

Excellence comes from teamwork, success comes from cooperation, People adhering to the "fine and rigorous, pragmatic and innovative spirit, with a broad mind, tolerance of mind, and win - win concept, sincere cooperation with customers, long - term cooperation, the depth of cooperation.

# COMPANY HONOR

- High quality materials
- Rigorous quality control
- Attention to detail
- Customer first

# DISASSEMBLY DRAWING

■ PC base, fireproof protective  
Lid covered on  
conductive constacts  
850°C:solid and strong

■ Inside silver Alloy touch point  
bigger than normal,  
high quality and safe,long usage life.  
long usage life

■ 1 mm thickness zinx coated  
steel support, stiff,  
hard and anti-corosive

■ High hardnesss glass material,  
durable, the appearance  
of high-end

■ PC material, flreproof  
plastic resistant to 850°C

High-quality PC material, resistant to high temperatures up to 850 degrees Celsius, auto-extinguishing in 30 seconds, protecting the safety of the whole family.

# SEU1 SERIES

Finish: tempered glass

Size:86x86mm

High-quality PC material, resistant to high temperatures up to 850 degrees Celsius, auto-extinguishing in 30 seconds, protecting the safety of the whole family.
